

Grant Application

Grant Number

Thank you for applying for a GEFFE grant. We truly appreciate your hard work and the time you have put into this grant to benefit your students.

To ensure a smooth application process, please follow these guidelines:

- Fill out the entire grant form below. To ensure anonymity, please refrain from using your name in the grant.
- If helpful, you can submit one PDF document with photos to help support your grant. You can include multiple photos in one PDF document
- For technology-related requests, please obtain approval from Dustin Crowder prior to submitting.
- After your grant is completed, please email a copy of this grant, and if applicable your PDF of photos, to your principal by October 16, 2023, at midnight. Your principal will upload a copy of your grant to the GEFFE drive

Please note that by submitting a grant, you are agreeing to the following statement.

I give permission to the Grove Education Foundation For Excellence (GEFFE) to use this proposal and the results of this project, if funded, for public information purposes or to help other educators. I understand that all supplies, equipment, and materials purchased become the property of Grove Public Schools. I agree to furnish GEFFE copies of any purchase orders and/or receipts showing expenditures of all funds awarded, as proposed in my grant request. I understand that the project funds must be spent and the project completed or implemented within the calendar year of receiving the funds and that any unspent funds shall be refunded to GEFFE.

Please provide a concise summary of your grant proposal. You can go into greater detail about your grant when answering the next question. Keep in mind that if your grant is approved, this summary may be directly shared on our website and with the media. Please ensure that your description is easy for non-educators to grasp the grant's intent. Thank you for your cooperation. Example: "I am requesting globes and desktop maps for students in my Social Studies classroom. The globes and maps will give my students hands-on and up-close access to learning as well as enhance their knowledge about the world in which we live. These items will provide a robust perspective and allow manipulation that is not available from viewing materials digitally."

Please describe your request in detail including why it is needed and how it will be helpful to you and your students.

How does this grant meet our mission to promote and encourage academic excellence?

Will this grant be utilized by other teachers or grades, and if so, please explain without noting teacher names.

If requesting iPads, Chrome books laptops, or other technology, please answer the questions below.

How many of these items are currently located in your room?	
Do you have access to these items that you can check out from the school or borrow from your peers? If so, please list how you access the items and why you need to purchase these items instead of checking them out or borrowing them?	
Has Dustin Crowder approved this technology request?
